HCA strives to have a **simple** and **transparent** tuition and fee schedule. There are no additional curriculum fees, lab fees, technology fees, graduation fees, or tuition refund insurance fees. Though we are grateful to generous contributions from parents, we won't require or ask for families to send classroom supplies such as paper, tissues or cleaning supplies.

There are also no family service commitments at HCA. We sincerely appreciate parents who volunteer their time at school, but we do not require it, nor do we charge parents who cannot volunteer.

The registration fee and tuition listed above cover everything that is required, but there are optional fees for:

- Meals
- Field trips
- Elementary electives, like Music
- High school electives, like Robotics and Entrepreneurship
- Tutoring
- ACE (aka PACE books) or other special curriculum
- Some accommodations that require additional resources or instructional assistance
- Sports

When considering the total costs, HCA is an incredible value compared to any other school in North Alabama.
